AMAZON.FictionalCharacter	✓	✓	✓	✓	✓	✓	✓	✓	✓		Names of fictional characters from books, movies, television shows, and other fictional works.
AMAZON.FirstName	✓	✓	✓	✓	✓	✓	✓	✓	✓	✓	Thousands of popular first names commonly used by speakers in the United States. This slot type recognizes both formal names and nicknames. The name sent to your service matches the value spoken by the user. That is, the Alexa service does not attempt to convert from the nickname to the formal name. For first names that sound alike, but are spelled differently, the Alexa service typically sends your service a single common form.

List Slot Types	fr-CA	fr-FR	de-DE	it-IT	jp-JP	pt-BR	es-ES	es-MX	es-US	hi-IN	Description / Notes
